APPEAL for USAC Funding Commitment Decision Letter Dated 7-30-2013

Funding Commitment Decision: \$0.00 – 470 Not Certified

470 Application Number: 959270001110578

To Whom This May Concern:

I am writing to request an appeal regarding this denial. I filed my form 470 (application number 959270001110578) electronically, but my electronic signature failed. As soon as I was made aware that my signature was missing, I signed and emailed the Signature Page for Form 470 to David Lagan at USAC. We receive services under the State of Michigan Master Contract for Verizon 071B8200195. This was a clerical error on my part, it was in no way intentional. I electronically signed two other 470's that day and thought this document was signed as well. Please let me know if there is anything I can do to reverse this decision. I greatly appreciate your help!
